**PLAINTIFF'S MOTION FOR LEAVE TO FILE EXHIBITS THROUGH 12:40 A.M.**

Plaintiffs uploaded many of their exhibits to file and the ECF system on August 29, 2020, and ECF would not take any of the exhibits. Plaintiffs then realized that three of the exhibits were causing the upload issue. When attempting to resend without those three, the internet service went down about 11:26 p.m. Plaintiffs were eventually able to upload some of the remaining exhibits using a much slower internet connection (via a cell phone's wireless network). Plaintiffs were then able to get all the exhibits filed by 12:40 a.m, on the morning of August 30, 2020, except for two spreadsheets which could not be uploaded; Plaintiffs have filed a separate motion to file those Exhibits manually

Pursuant to L.R. 7, Plaintiffs have not had an opportunity to discuss this motion with opposing counsel due to the time.

Respectfully Submitted,

/s/Ann Buntin Steiner
